Dear Mr. Owens:

Thank you for your letter of March 3, concerning my pending request for the final batch of documents on the Kennedy assassination.

You indicated that further information, if not a further release, would probably be forthcoming in a few months. Having heard nothing, I would just like to remind you of my ongoing interest in this matter.

I hope you will agree that processing of the CIA's actual files on the assassination deserves priority comparable to that given the review of a book on the subject which "needs a veneer of fiction," according to the author, a former CIA officer.

Sincerely yours,

Paul L. Hoch
