Dear Mr. Bacon:

By letter of March 3, 1980, Mr. George W. Owens of your office responded to my inquiry about the status of the CIA's review of the "last batch" of documents relating to the assassination of President Kennedy. Mr. Owens indicated that the review would be completed, probably within a few months.

He also said: "Please be assured that any Agency efforts to obtain legislative relief [i.e., exemption from the FOIA] will not affect your current request."

Please advise me whether this commitment is still operative.

Sincerely yours,

Paul L. Hoch

P.S.: I also want to acknowledge your letters of June 19 and August 13, 1981, concerning the nonexistence of records which I had requested, relating to the transportation of, and autopsy on, the body of President Kennedy.
