Dear Mr. Hoch:

This is in response to your letter of 8 November 1981 in which you inquired about the "last batch" of documents relating to Lee Harvey Oswald and the JFK assassination.

We sincerely regret the delay in replying to you, and other requesters, concerning this "final batch." We realize that these items have been in the review process for some time, but we must ask for your patience and consideration once more. We can assure you that this is an active case and we should have a final response to you in the near future.

As to legislative relief, we do not believe that it would affect the release of this "final batch" of material to you. Please be assured that we will notify you when this material is ready for release.

Sincerely,

John E. Bacon  
Information and Privacy Coordinator
