Re: Files of the Kennedy assassination

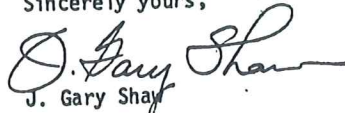

Dear Sir:

In a F.O.I.A. review of June 1976, the Central Intelligence Agency made available to the public document # 555-804. Page Five of this document (copy attached) says "...F.B.I. is bringing to Dallas two copies of six photographs of six persons one of which could be Oswald."

Under the provisions of the Freedom of Information Act please furnish me with a copy of each of the six photographs of the six people as well as the identity of the people if their identity was ever determined.

Please be assured of my firm commitment to pay any and all cost involved.

Sincerely yours,

J. Gary Shaw
