APPELLEES' MOTION FOR EXTENSION OF TIME

Appellee, the United States Department of Justice, hereby moves the Court for an extension of time within which to file its supplemental memorandum of four days, or until September 10, 1982. As grounds for this motion, appellee states:

1. On August 13, 1982, this Court sua sponte granted appellees leave to file a supplemental memorandum concerning a document which appellant wished to refer to outside the record. Appellant's Reply Brief to which this was attached and referenced was served on appellee on Wednesday, September 1, 1982.

2. The extension is requested because of the short amount of time left within which to respond to this document and other issues raised for the first time in appellees' reply brief.

3. Counsel for appellant has authorized appellee to state that appellant has no objection to this motion for extension of time.

Respectfully submitted,
