DECLARATION OF BRIAN SCOTT KINSEY

I, Brian Scott Kinsey, make the following  
declaration based on my personal knowledge.

(1) I am a Miscellaneous Documents Examiner (MDE)  
assigned to the Freedom of Information-Privacy Acts (FOIPA)  
Section, Records Management Division, Federal Bureau of  
Investigation Headquarters (FBIHQ), Washington, D.C. I have  
been employed as an MDE in the FOIPA Section since April,  
1977, assigned to the processing of FOIPA requests, including  
requests for records pertaining to the assassination of  
President John F. Kennedy.

(2) Several years ago, MDE Willis A. Newton  
requested my assistance in the disposal of two duplicate sets  
of Kennedy assassination materials.

(3) I assisted MDE Newton in discarding the two duplicate sets of documents by placing portions of them in trash receptacles at FBIHQ. I was aware that an identical copy was maintained in the FOIPA Reading Room and that several copies had been released to the public.

(4) Because my actions involved only the disposal of unneeded copies of material already available to the public, no record of any kind was prepared by me, or to my knowledge anyone else.

I have read the foregoing statement consisting of two pages. In accordance with 28 U.S.C. 1746, I declare under penalty of perjury that the foregoing is true and correct.

Dated this 17<sup>th</sup> day of March, 1983.

  
BRIAN SCOTT KINSEY  
Miscellaneous Documents Examiner  
Federal Bureau of Investigation  
Washington, D.C.
