Dear Mr. Lesar:

This is in response to your letter dated April 10, 1979, regarding Mr. Weisberg's requests concerning the assassination of President Kennedy, wherein you ask to be advised of "all records not yet supplied to Mr. Weisberg which are within the scope of his requests" for records pertaining to the Dallas and New Orleans Field Offices.

Please be advised that we have now processed and released to Mr. Weisberg all records within the scope of his requests, with the exception of the 3 X 5 index cards, referrals from the Headquarters files and a portion of the referrals from the Dallas and New Orleans Field Office files (as indicated in my letter to Mr. Weisberg of May 9, 1979.)

We are currently attending to these remaining documents and will forward them as expeditiously as possible.

Your continued patience and cooperation in this matter is appreciated.

Sincerely yours,
