Civil Action Number 75-1996

U. S. Department of Justice,

Defendants.

THIRD AFFIDAVIT OF JOHN N. PHILLIPS

I, John N. Phillips, being duly sworn, depose and say as follows:

(1) I am a Special Agent of the Federal Bureau of Investigation (FBI), assigned in a supervisory capacity to the Freedom of Information-Privacy Acts (FOIPA) Branch, Records Management Division, FBI Headquarters (FBIHQ), Washington, D. C.

Due to the nature of my official duties, I am familiar with the procedures followed in processing Freedom of Information Act (FOIA) requests received at FBIHQ. Although I was not initially involved with plaintiff's FOIA request, I am, however, familiar with all aspects of this request as it relates to the FBI. The information set forth herein is based upon my review of the records and correspondence with plaintiff as it relates to this litigation, and upon information provided to me in my official capacity.

- (2) In compliance with the order of United States District Court Judge June L. Green, I am submitting three separate envelopes for In Camera review as follows:
 - A. MURKIN Headquarters serials 3374, 3400, 3509, 3763, 3764 and the first unrecorded serial after serial 6110.
 - B. Laboratory "ticklers" of three documents concerning Kidnapping; Interstate Transportation in Aid of Racketeering (ITAR), Conspiracy; and Bombing Matters.
 - C. MURKIN Headquarters serials 58, 1196, 1470, 1500, 1549, 2126, 2161, 3400, 3763, 4438, 4692, 4694, 4986, 5708, 6010, 413, 1427, 3503, 4761, 4919, 5212, 5338, 5487, 5663, 5719 and 5819.

These materials are contained in three separate packages (labeled Envelopes A, B, and C) with notations that they are to be opened only by United States District Court Judge June L. Green and will be submitted to United States District Judge June L. Green contemporaneously with the filing of this affidavit.

- (3) To assist the Court in reviewing this material during <u>In Camera</u> inspection, each item has been assigned an identifying number, which appears circled in the lower left corner of the first page of each document. This identifier is a composite of the envelope letter and the document number. For example, the first document in Envelope A has been assigned number A-1.
- (4) Information withheld from plaintiff is highlighted in yellow ink. Where deletions have been made the appropriate exemption is cited to the right of the deleted material. Entire documents or individual pages which have been released or denied in their entirety contain a notation across the bottom of each page explaining the action taken.
- (5) For the information of the Court, four of the documents ordered for In Camera inspection as having been denied in their entirety were, in fact, released in full to Mr. Weisberg over four years ago. These documents, along with copies of the disclosure letters providing them to plaintiff are attached hereto as exhibits. Following is a list of the released serials, their assigned document numbers, their exhibit numbers as attached, and the dates of release to plaintiff:

Serial	Number Number	Exhibit Number	Date of Release
3509	A-3	1	7/27/77
3763	A-4 C-9	2	10/26/77
3764	A-5	3	7/27/77
5708	C-14	4	6/24/77

(6) In addition to the above, one of the documents ordered for <u>In Camera</u> inspection because no exemptions were cited was previously released to Mr. Weisberg in its entirety, over four years ago, therefore, no exemptions were claimed. This document, along with a copy of the original inventory sheet is attached

hereto as an exhibit. Following the chart above, information concerning this document is set forth below:

	Document	Exhibit	Date of
Serial	Number	Number	Release
4761	C-19	5	6/2/77

(7) Serial 1549, document number C-5 was referred to the Central Intelligence Agency (CIA) on March 17, 1977, for direct response to plaintiff. By letter dated January 26, 1981, a copy of which is attached hereto as Exhibit 6, the CIA released this document to plaintiff with deletions made pursuant to FOIA exemptions (b) (3) and (b) (6). On the copy of this document submitted for In Camera inspection, those portions withheld by the CIA are bracketed in red ink. The exemptions claimed by that agency are listed to the right of the deleted material, also in red ink.

This release is comprised of documents from Sections 86 through 91 of the Readquarters' Murkin file; bulky enclosure 5586 which consists of Exhibits Section material; lab reports pertaining to ballistics, spectrography and the examination of cigarette butts; serials 3509 and 3764 which were previously denied but are now being released pursuant to the department appeal review; and one black and white photograph showing an aerial view of the Lorraine Motel and the surrounding area.

Included in this material are duplicated copies of various photographs. Please advise us of the specific photographs which you desire photographic copies of and these will be provided to you.

Pursuant to a decision made by the Department of Justice, you are to be afforded a 40 percent reduction of fees for all documents which are released in response to your December 23, 1975, Freedom of Information Act request for Murkin material. This fee reduction applies to any charges for material to be released in the future and also to any charges assessed against you for Murkin material which has previously been furnished. Our records indicate that we have collected a total amount of \$1,984.80 in fees for payment of Murkin material which has been released to you. Application of the 49 percent fee reduction standard to that amount determines that we now owe you a refund of \$793.92. A request has been submitted to our Finance and Personnel Division for a check in that amount to be made payable to Marold Weisberg. The check should be soon forthcoming and will be immediately forwarded to you. Hereafter, all charges assessed against you for Murkin material will be at the rate of \$.06 per page.

Documents currently being released consist of 1,639 pages. Additionally, 612 pages of documents pertaining to latent fingerprint examinations were provided to you on June 30, 1977. Pursuant to the \$.06 per page duplication fee as established by the Department of Justice, the amount due for this material is \$135.06.

Mr. Harold Weisberg

Also, one 8 x 10 black and white photograph is being released at the cost of \$1.80, which again reflects the 40 percent reduction standard. Please remit a check in the amount of \$136.86, made payable to the Federal Bureau of Investigation in payment of all those fees currently due for Murkin material which has been released to you.

Thank you for your patience and cooperation in this matter.

NOTE: This release was comprised of 1,639 pages from Sections 86 - 91 and serials 3509, 3769, 5920 and 5586. Mr. Weisberg is being notified of payment due of \$136.86. This amount includes charges for this 1,639 pages, 612 pages which were released on 6/30/77, and a charge of \$1.80 for an 8 x 10 black and white photograph which is being provided. This concludes the processing of Murkin files at Headquarters. We are continuing to process other Headquarters files which are responsive to Mr. Weisberg's December 23, 1975, FOIA request.

UNITED STATES GOVERNMENT emorandum May 10, 1968 Mr. Mohr J. J. Caspe FROM MURKIN SUBJECT As shown in attached memorandum of May 9, 1968, from Mr. Rosen to Mr. DeLoach, consideration is given to microphone installations on certain properties of Albert and Carol Pepper. The proposal raises a question concerning the legality of any action taken against the subject of this case on the basis of information obtained from the microphones. We believe these microphones can be installed and used without prejudicing the case against the subject. In a very recent decision of the United States District Court for the Southern District of New York, a listening device was installed on the premises of one Levine. Later, a subject named Granello, an associate of Levine, came up for trial and claimed that the listening device installed on Levin's premises, which was installed by trespass, was illegal as to him, Granello. It was not contended that any information obtained from the Levine microphone was used as evidence against Granello at trial either directly or as a lead. The court held that since Granello had no interest in the Levine premises, the monitor was not illegal as to him and he could not obtain a new trial or dismissal of the indictment. U.S. v. Granello, 280 F. Supp. 482 (1968). Applied to instant case, this rule of law could work out in different ways. Assuming that the subject of this case is not on the premises to be surveilled by the means suggested, and has no possessory or other right in those premises, any information disclosed by the surveillance in some way, such as conversation among the Peppers, could be used to learn the whereabouts of the subject for purposes of arrest. The problem becomes somewhat more complicated, however, if the subject of this case made a telephone call to those premises and that telephone call were recorded and used as the basis for his apprehension. He then could claim that the surveillance violated hie right of privacy in the telephone communication he made to that place, citing the Katz decision in the Supreme Court. 31 MAY 22 1968 eLoach **OVER**"

Memorandum J. J. Casper to Mr. Mohr RE: MARKIN

The worst that could happen in either of the above circumstances, however, - assuming that we follow the precautionary measures listed below - is that we illegally learn where the subject is located and thus are able to arrest him on that knowledge. The rule that comes into play here, established in the last century by the Supreme Court in Ker v. Illinois, 30 U.S. 347 (1886), is that an illegal arrest is no bar to prosecution. Wong Sun v. U.S., 371 U.S. 471 (1963); U.S. v. Hoffman, 385 F2d 501 (1967); Keegan v. U.S., 385 F2d 260 (1967). A person may be arrested unlawfully and actually kidnapped into the court having jurisdiction of the criminal case, yet the court still retains jurisdiction to try the person for the offense. The court would not allow the prosecution to use as evidence any information obtained through the illegal surveillance but the illegal surveillance would not taint the use of any other evidence obtained either before or after and which was gotten in a legal manner. Nor, to repeat, would the illegality of the arrest alone, resulting from whereabouts disclosed by unlawful surveillance, prevent the court from trying the subject for the offense.

If the action being considered is taken, we strongly suggest three precautionary measures, as follows:

- (1) That all recordings be preserved intact. It may be necessary to disclose some of them to the court or even to the defense.
- (2) That no use be made of any information obtained against anyone whatsoever or in any way whatsoever except for the single purpose of locating the subject in this case. As we well know by this time, evidence of the offense obtained in this manner is not admissible. It would not be admissible against the subject and it would not be admissible against the Peppers on a charge of harboring.
- as to the Peppers, they have at least a theoretical cause of action for damages against those who installed the devices by trespass. Here again, however, if nothing learned by this surveillance is used against the Peppers in any way, their cause of action is diminished to the lowest possible degree, becoming that for a technical violation only rather than one of substantial harm to them. Moreover, in any such case the government of the United States should surely be willing to pick up the tab for any judgment had against those who installed the microphones.

RECOMMENDATION:

For information.

Legat Ottawa advised us that John William Beattle, leader of Canadian National Socialist Party, was in contact with the Royal Canadian Mounted Police (RCMP) and said that David Stanley, who at one time was a member of the Canadian National Socialist Party, had forwarded names of Toronto residents to the National States Rights Party (NSRP) in Birmingham in order that the publication "Thunderbolt" could be forwarded to them. Stanley allegedly forwarded lists of 200 to 300 names on several occasions in 1965 and feels that the names of Sneyd, Bridgeman, and Galt (aliases of James Earl Ray) were among the names forwarded. The RCMP places little value on any of this information as Beattle is continually seeking any recognition through press and news media.

William Bradford Huie, author, stated the names Sneyd, Bridgeman, and Galt were obtained by Ray through old editions of newspapers.

Beattie is an American Nazi Party advocate and there is no indication he ever associated with the MSRP. We have no knowledge of Stanley or Beattie forwarding such lists to MSRP in Birmingham or any other location according to Racial Intelligence Section, Domestic Intelligence Division.

Legat Ottawa requested to be advised concerning these lists and this communication is advising him of such.

1 - DeLoach emorandum - Rosen - Gale MR. TOLSON DATE: July 2, 1968 FOR REVIEW AT FRING AND OR DELIVERY TO HSCA RE REQUEST UNTED D. DeLOACH MURKIN SUBJECT: (SEE BUFILE 62-117290) Mr. Rosen, very properly, advised me this afternoon that SAC, Jensen, Memphis, had called the Civil Rights Section, General Investigative Division, relative to a call he, Jensen, had received from Shelby County Prosecutor Canale, as well as plater call received from Assistant Attorney General Stephen Pollak. Prosecutor Canale called Jensen to say there appeare to be somewhat of a problem involving Stephens, the important witness who saw James Earl Ray leaving the flophouse, 420 South Main Street, immediately following the assassination of King. all Stephens is a drunk, is disreputable, and of course there can be no assurance as to his whereabouts unless he is closely followed. Canale called Jensen to indicate a desire that the FBI take Stephens into protective custody and hold him until the trial of James Earl Ray. Jensen, very properly, told Canale that the FBI could not do this. Canale replied that if Jensen didn't mind he would call Assistant Attorney General Pollak about the matter. Jensen told Canale that it was entirely up to him as to whether or not he called Pollak. Apparently Canale did call Pollak and immediately thereafter Pollak placed a long distance call to our SAC, Jensen in Memphis. Jensen called FBI Headquarters before answering Pollak's call. I told Rosen to call SAC Jensen back and tell him that he should answer Assistant Attorney General Pollak's call but to flatly inform Pollak that he should deal with FBI Headquarters In the meantime, I attempted to tall Pollar. In als absence, I talked with Bob Owen, Pollar Tost assistant. I teld Owen that Pollar nor any other Assistant Attorney General should. attempt to deal directly with our SACs inasmuch as such attempt merely lead to confusion and imefficiency. I stated also that SACs, of necessity, would clear with FBI Meadquarters prior be putting into effect any instructions issued by the Department Justice. Owen replied that he agreed and he did not know why # 258 to ... F JUL 9 1968 CONTINUED March and the contract of the same

Pollak had called Jensen directly. He stated that Pollak probably desired to discuss the Canale call. I interrupted Owen and told in the I was well aware of Canale's request that the FBI had no intentions whatsoever of acting as a "baby sitter" for the Shelby County Prosecutor's Office. I stated this is a problem strictly for the Prosecutor and not one for the FBI. Owen stated that he also agreed with this statement and that in his opinion Canale should attempt to get a capable detective to "sit with" Stephens until the James Earl Ray trial took place.

Assistant Attorney General Pollak returned my call at 5:35 p.m. He told me he regretted getting in wrong channels and that perhaps he should have called Rosen or me prior to attempting to reach SAC Jensen. I told him this was absolutely right and that he should realize better efficiency would be accomplished by going through proper channels. He stated he would be guided accordingly in the future.

We then thoroughly discussed the Canale request and Pollak told me Canale had made no such request of him. He said Canale apparently told our SAC one thing and then when he called Pollak he merely asked advice. I told Pollak nevertheless Canale should realize that the FBI would not be his "baby sitter." Pollak agreed. He stated he had made a record of Canale's call to him and that while he had refused to offer Canale any advice, he had wentured the thought that protective custody of Stephens might ruin him as a witness. He stated that the proposition had been discussed that some detective might take Stephens fishing until the James Earl Ray case took place. I told him this, of course, was entirely up to the Shelby County Prosecutor's Office and mot the FBI.

Mr. Harold Weisberg 7627 Old Receiver Road Frederick, MD 21701

Dear Mr. Weisberg:

In the litigation of your FOIA request with the Justice Department (Civil Action No. 75-1996), the Justice Department surfaced ten CIA-originated documents. Because of their classification, these documents were referred to the Agency for disposition. Nine of the documents were identified as having been dealt with in your FOIA litigation with CIA (Civil Action No. 77-1997). By an affidavit of 3 April 1980, Mr. Liebenau of the Directorate of Operations of the CIA, identified the nine documents by numbers assigned to them in your litigation with the Agency.

This letter is to advise you of the FOIA determinations regarding the tenth document. The document concerns an individual whose name bore a remote resemblance to an alias allegedly used by James E. Ray. A segregated version of the document is released to you in a copy enclosed with this letter.

The document from which material has been deleted is marked with letters that designate the category of information removed from that portion of the document. The deletions marked "A" contained information which identified the individual and which were removed to protect the individual against a clearly unwarranted invasion of personal privacy. This information was deleted pursuant to FOIA exemption (b)(6). The deletions marked "B" contained information which identified CIA staff employees. Such information is exempt from release pursuant to FOIA exemption (b)(3). Classification markings were lined through and marked "C" to show that the document has been declassified in this form for release under the FOIA.

These FOIA determinations were made by Gerald L. Liebenau, Information Review Officer of the Directorate of Operations of the CIA.

The following are brief explanations of the FOIA exemptions which apply to this document.

EXHIBIT 2

The control of the co

EXHIBIT 6

Exemption (b)(3) pertains to information exempt from disclosure by statute. The relevant statutes are subsection 102(d)(3) of the National Security Act of 1947, as amended, 50 U.S.C. 403 (d)(3) which makes the Director responsible for protecting intelligence sources and methods from unauthorized disclosure, and section 6 of the Central Intelligence Agency Act of 1949, as amended, 50 U.S.C. 403g, which exempts from the disclosure requirement information pertaining to the organization, functions, names, official titles, salaries or numbers of personnel employed by the Agency.

Exemption (b)(6) applies to information the disclosure of which would constitute a clearly unwarranted invasion of the privacy of an individual other than the requester.

Under provisions of the Act, I am advising you of your right to appeal the above decisions by addressing your appeal to the undersigned who will ensure that it is reviewed by the appropriate senior officials of this Agency.

Sincerely,

Information and Privacy Coordinator
