Earl J. Silbert
United States Attorney
for the District of Columbia

Harold Weisberg v. U.S. Department of
Justice, Civil Action 75-1996

On January 10, 1976 we received plaintiff's first set of interrogatories in the above-entitled action. A copy is attached.

Apparently plaintiff's counsel does not feel this action is moot, as suggested in the memorandum of the Director of the FBI under date of December 19, 1975.

Judge Green has set a status call in the above-entitled action for February 3, 1976 at 10:00 a.m.

We should probably move for a protective order and file a motion on grounds of mootness, if appropriate.

Please advise.
