Dear Dr. Grover:

The Attorney General has requested that we examine our pertinent files and inform you as to our conclusions on the advisability of authorizing the disclosure of heretofore unpublished documents that were furnished by this Department, to the President's Commission on the Assassination of President John F. Kennedy.

Sumner

As instructed by the Attorney General, attached is a copy of the list of documents under jurisdiction of the Post Office Department which we have marked to show that the documents in question may now be made public. We have made this decision in the interest of history.

A copy of this letter has been furnished to the Attorney General.

Sincerely yours,

(Signed) John A. Gronouski

Postmaster General
