He. B. Ross Backley Criminal Division Department of Justice Washington, D.C. 20530 7/8/81

Doer Mr. Buckley,

with your letter of the second, here today, was the usual list of enclosures and those enclosures. Thenks for them and for the care in packaging.

Nour letter states that the seconds enclosed run through Enclosure 7.

I have no very of hundre wither Analogue 6 is complete. I received 2531.

The list ends with the referral of 252.

I'd ay reclais the missing moneto, theries.

Mi. 2517 is not deted. although signed agreements usually are dated. The list provides no date for it. If you can provide a date by other resens I'd approxiate it because this is an important record, one of which I believe there was no smaller public browledge.

Sincerely.

Hazold Weisborg
