Mr. Harold Weisberg
7627 Old Receiver Road
Frederick, Maryland 21701

Dear Mr. Weisberg:

This is in further response to your letter dated May 21, 1977 pursuant to the Freedom of Information Act for records concerning the assassination of President John F. Kennedy.

The attached documents which were found in our files numbered 144-32-1220 and 145-12-979 (sections one and two) are being made available to you in full or in part. The documents which are being released to you in part are subject to the deletion, pursuant to 5 U.S.C. 552(b) (7) (C), of material the release of which would constitute an unwarranted invasion of the privacy of a third party. A copy of the schedule of documents is also enclosed.

We are presently reviewing another series of files. The review of these files will be completed as soon as possible.

Pursuant to Department regulations, you have a right to appeal the deletions as a partial denial of your request. This appeal must be made within thirty days in writing and addressed to the Associate Attorney General (Attention: Office of Information and Privacy Act Appeals) Department of Justice, Washington, D.C. 20530. The envelope and letter should be clearly marked, "Information Appeal". If on appeal your request is denied, judicial review will thereafter be available to you in the district in which you reside or have your principal place of business or the district in which the records denied to you are situated or the District of Columbia.

Sincerely,

Frederick D. Hess

FREDERICK D. HESS
