The Attorney General

Assassination of President John F. Kennedy  
Warren Commission Records

This is in response to your February 24 memorandum regarding public disclosure of 55 pages of Warren Commission Document No. 75, which have been excluded from public disclosure under guidelines approved by McGeorge Bundy, Special Assistant to the President. Your memo states that the Bureau has no objection to public disclosure of these pages.

We understand that in addition to these 55 pages there are another approximately 50 pages of Commission Document No. 75 which have been excluded from public disclosure under the same guidelines. We would appreciate your advising us whether the Bureau has any objection to public disclosure of these remaining pages.

Further, it is requested that the Bureau furnish to the Department copies of all FBI investigative reports (except Commission Document No. 75 and except information which has been furnished in the series of memos beginning about February 20, 1967) which relate to the investigation now being conducted by New Orleans District Attorney Garrison or to any alleged New Orleans area plot to assassinate President Kennedy.

For such assistance as it may be there is attached a list of the names which have been noted by the Department as having been mentioned in connection with the Garrison investigation.
