Dear Mr. Weberman:

Reference is made to your Freedom of Information-Privacy Acts (FOIPA) request for a lab report pertaining to a letter allegedly written by Lee Harvey Oswald to Mr. H. L. Hunt of Dallas, Texas.

Please be advised that based on the information you have furnished, a search of the index of our central records was conducted. We were unable to locate any reference to the lab report you seek, either in the investigative files pertaining to the Assassination of President John F. Kennedy or elsewhere. As there is no index pertaining specifically to the files on the assassination, and as they contain over 98,000 pages, we are unable to go any further in our search of the lab report.

Sincerely yours,

Allen H. McCreight/mw
