Dear Mr. Weisberg:

The Criminal Division by memorandum dated July 24, 1981 referred, in the course of processing your Freedom of Information Act (FOIA) request for records of the Kennedy Assassination, three documents to this office for a disclosure determination and direct response to you.

The two internal Civil Division memoranda referred consist of a five-page memorandum by attorney David J. Anderson dated October 7, 1966 discussing in depth an agreement by which the executors of President Kennedy would donate to the United States for deposit in the National Archives certain personal items of the late President and a one-page memorandum dated October 11, 1966 of two sentences containing a comment on Mr. Anderson's memorandum. The third document referred consists of an eight-page unsigned draft to the agreement dated October 5, 1966 by the executors of the estate of John F. Kennedy to Robert H. Bahmer, Acting Archivist of the United States.

Please advise us whether you consider these documents within the scope of your request and wish us to process them accordingly.

Thank you for your assistance in this matter.

Yours very truly,

MADELYN E. JOHNSON
Attorney In Charge
FOI/PA Office, Civil Division
