# Memorandum

TO : SAC, NEW ORLEANS (89-69)

DATE: 6/6/69

FROM : Supervisor [redacted] b7c

SUBJECT: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY,  
11/22/63, DALLAS, TEXAS  
MISC - INFORMATION CONCERNING

On 6/3/69, Supervisor [redacted] at the Bureau telephonically advised that the Bureau was in receipt of a letter from an individual alleging that this individual had obtained document #301, page 85, from the National Archives on the KENNEDY assassination probe. This individual alleged that the information appearing in #301 relative to long distance telephone calls made from the Altamotel by D. W. FERRIE was in error. According to this individual, the document showed that D. W. FERRIE, COFFEE, and BRAUBOUER checked into the Altamotel 11/23/63 and that four long distance telephone calls were placed from the motel. This person alleged that the document showed a telephone call to New Orleans to telephone number UE 3-3757 and that this number should have been VE 3-3757; and that another call had been placed to WDSH in New Orleans which should have been WDSU. [redacted] asked that New Orleans review their files to determine what, if any, action had been taken in connection with the long distance telephone calls made by FERRIE and his associates from the Altamotel in Houston and that the Bureau be telephonically furnished the results of this review.

A review of instant file reflected that DAVID W. FERRIE was interviewed by Agents of this office on 11/25/63 at which time he admitted making long distance telephone calls from the Altamotel in Houston, Texas, attempting to contact his attorney, G. WRAY GILL, and that he had attempted to reach GILL at both his home and office phones without success and had also attempted to call him at the Town and Country Motel in Metairie, La. FERRIE also admitted that ALVIN BRAUBOUER had placed a long distance call to his home in New Orleans. It was further noted that the telephone number VE 3-3757 is the telephone number of the Town and Country Motel.

The above information was telephonically furnished to [REDACTED] on the same date and he was advised that apparently the records of the Altamotel were in error in recording the exchange number as well as the lettering of WDSU. He was further advised that in view of the fact FERRIE had been eliminated in connection with the assassination, no further action had been taken by this office.
