Dear Ms. Johnson,

re 236380-4-1

The three records referred to in your letter of the 4th are of considerable interest and I would appreciate copies of them.

I do regard them as within the scope of my request. So does Criminal, which has disclosed similar records on the transfer from the Kennedy estate.

This transfer is of considerable interest to scholars so you may want to remember for any others who inquire that there was the disclosures I mention above.

If I can be of help with any such inquiries, please let me know.

Thank you very much.

Sincerely,

Harold Weisberg
