Dear Mr. Weisberg:

This responds to your letter of April 1, 1981, to  
Quinlan J. Shea, which was referred to this Office for reply.

As we indicated in our letter to you last October, a copy  
of which is attached, this Office has no record of any request  
from you or documents relating to the assassination of President  
Kennedy. We therefore do not know what documents you want. If  
there are documents in which you are interested, please submit  
a request to this Office detailing what you want and we shall  
be glad to retrieve whatever material is available and assess  
its potential for release.

As noted in our letters to you of October 14, 1980 and  
July 20, 1980, we have done a search of our files and forwarded  
the material responsive to your Privacy Act request.

Sincerely,
