

U.S. Department of Justice

CRM-2546

Washington, D.C. 20530

Mr. Harold Weisberg  
7627 Old Receiver Road  
Frederick, Maryland 21701

Dear Mr. Weisberg:

This is in further response to your request, pursuant to the Freedom of Information Act for records concerning the assassination of President John F. Kennedy.

The attached documents which were taken from the enclosure file to our file 129-11 are being made available to you in full or in part. A copy of the schedule of documents is also enclosed. The Freedom of Information Act exemptions which apply to the documents released in part are 5 U.S.C. 552(b):

- (2) Related solely to the internal personnel rules and practices of an agency;
- (5) Intra-agency correspondence which reflects the deliberative processes of the Department;
- (7) Investigatory records compiled for law enforcement the disclosure of which would:
  - (C) Constitute an unwarranted invasion of the privacy of a third party; or,
  - (D) Reveal the identity of confidential sources, or information furnished solely by confidential sources.

We had informed you in our letter dated October 23, 1980 that items 1427 through 1430 had been misplaced. We have now located these documents. Items 1427 through 1429 are being made available to you in full and are included in the attached package. Item 1430 is being referred to the FBI.

We have completed the review of item 1545 (citizen correspondence in the form of a cassette tape recording), which is being made available to you in part. Information concerning the name and address of the private citizen has been deleted from this recording pursuant to exemption (7) (C).

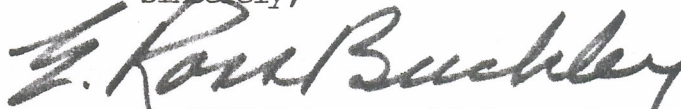

In reference to your letter to us dated December 11, 1980, we did not find any notations in item 1578. (Book entitled The Assassination Tapes by George O'Toole.)

Two pages of item 1644 are not included in the attached package. These two pages pertain to Clay Shaw and contain information which originated with the CIA. We are referring these pages to the CIA on a consultation basis. Upon completion of our consultation with the CIA, these pages will be sent to you at a later date.

We are presently reviewing another series of files. The review of these files will be completed as soon as possible.

Pursuant to Department regulations, you have a right to appeal the deletions as a partial denial of your request. This appeal must be made within thirty days in writing and addressed to the Associate Attorney General (Attention: Office of Information and Privacy Act Appeals) Department of Justice, Washington, D.C. 20530. The envelope and letter should be clearly marked, "Information Appeal". If on appeal your request is denied, judicial review will thereafter be available to you in the district in which you reside or have your principal place of business or the district in which the records denied to you are situated or the District of Columbia.

Sincerely,

E. ROSS BUCKLEY, Chief  
Freedom of Information/Privacy Act Unit  
Criminal Division
