Dear Mr. Lesar:

Reference is made to your letter of December 29, 1980.

A dilligent search of the indices of the Office of the Legal Attaché in Mexico City revealed no record identifiable with Jim Garrison.

Records and references were located for Lee Harvey Oswald and John F. Kennedy. These records are currently maintained at our Headquarters in Washington, D.C., and I am forwarding your request to Washington for processing.

Sincerely,

Gordon W. McGinley  
Legal Attaché
