Dear Requester:

This is in further response to your pending Freedom of Information-Privacy Acts (FOIPA) request(s).

Your request has been assigned for processing; however, the responsive documents must first be reviewed to ascertain if any portions warrant classification to protect national security information. A significant increase in the number of requests received by the FBI during the past two years has resulted in a backlog of requests awaiting classification review. To ensure that you are kept informed as to the status of your request while minimizing the need for interim correspondence, you will be advised only after the classification review has been completed. Your patience and understanding will be appreciated.

Sincerely yours,

*Emil P. Moschella*

Chief  
Freedom of Information-  
Privacy Acts Section  
Records Management Division
