

① 62-109060 ser. 4833

This is previously processed in both Dallas 89-43 and NO 89-69. An assumption worked & that the date of Airtel is also 3/13/67 which is date given in worksheets in DL & NO. The note that LHM ~~sent~~ sent to AAG's may refer to section 117, 62-109060, ser. 4789. There is no other serial dated 3/17/67 in any of the other files that is directed to AG's office.
