Mr. J. Lee Rankin of the President's Commission contacted the Bureau and, in the absence of Malley, spoke with Supervisor Rogge. He asked Rogge if it would be convenient for him to be at his office at 2:00 p. m. to pick up a letter which he desired to hand deliver to the Bureau.

Rankin, in delivering the letter, stated that he wanted to point out that he was asking that the letter be personally delivered because if the Bureau had any observations concerning it he would appreciate being called and he would give any of our observations immediate consideration. Rogge stated that Mr. Rankin was most laudatory in his comments and attitude of the Director and the Bureau.

It is noted that the attached letter transmits questions developed as a result of a close examination by the Commission staff of material which has been furnished by the FBI. Rankin indicated that the Commission has reviewed material which has been furnished by other Governmental agencies and that the Bureau, as well as the other agencies, was being requested to submit answers to various questions being submitted by the Commission. The Commission feels that these questions might be raised at a later date and desired these answers for the record.

It is also noted that Mr. Rankin's letter dated March 26, 1964, expresses the Commission's thanks to the Director for the assistance rendered.

The questions relate primarily to the activities of Oswald prior to the assassination and are presently being reviewed so that appropriate answers can be prepared.
