PAUL LAWRENCE BOCH

On October 28, 1969, a source who has furnished reliable information in the past advised that Paul L. Boch, who resides at 2537 Regent Street, Apartment 202, Berkeley, California, is apparently conducting an independent investigation into certain matters surrounding the assassination of President John Fitzgerald Kennedy.

This source stated that in the above connection Boch has in his possession a two page document entitled, "Availability of Government Agency Records." Source furnished a copy of this document which is set forth as follows:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ENCLOSURE

PAUL LAWRENCE HOCH

Source, in furnishing the above document, noted he was doing so because the possibility existed that it is a confidential government document which Hoch is not entitled to have in his possession.

A second source who has furnished reliable information in the past advised on October 31, 1969 that Paul Lawrence Hoch of 2537 Regent Street, Apartment 202, Berkeley, California, is a naturalized citizen of the United States who was born in England. According to this source, Hoch is presently a graduate student in Physics at the University of California, Berkeley, California, and received a Bachelor of Arts Degree from Harvard University in 1964.

The files of the San Francisco Office of the FBI contain no information regarding Paul Lawrence Hoch.
