Oswald Case

[ ] DeMohrenschildts apparently departed Dallas around June 1, 1963, as gas was turned off at residence May 29 and their former son-in-law stated they left Dallas for Haiti in May or June 1963. Mrs. Oswald claims Mrs. DeMohrenschildt visited her while Oswalds residing Neely Street, Dallas (they resided that address March 2, 1963 to April 24, 1963) at which time she pointed out to Mrs. DeMohrenschildt gun which Oswald had bought ~~and~~ <sup>This</sup> is same gun which was shipped to subject on March 20, 1963 later identified as assassination weapon. Mrs. Oswald recalled that few days after attempted assassination General Walker (April 10, 1963) George DeMohrenschildt was at Oswald residence and made remark in joking manner to Oswald to effect, "How is it that you missed General Walker?" Mrs. Oswald does not know if Oswald had spoken to George DeMohrenschildt previously of his dislike for General Walker and she does not know why DeMohrenschildt made this remark other than in joking manner.
