(C) DALLAS

On 12/17/63, the Minneapolis Office received a telephone call from WALTER MARTIN, 1420 7th Street, Apartment 4, St. Paul, Minn. who reported that he had personally taken 8 mm. movies of a group of Cubans just after GERALD was arrested in New Orleans on 12/7/63. MARTIN said these films would be available to the FBI at 7 o'clock.

Without viewing film or hearing coverage by New Orleans, this group of Cubans referred to by MARTIN are apparently anti-GERALDITE who were against GERALD and literature being distributed.

New Orleans advise if this coverage would be of interest and if the use of above film would be of any value to New Orleans.
