Dear Mr. Tonahill:

This is in further reference to my letter of January 28, 1964, and your telephone call of this date to my First Assistant, Mr. Foley. In accordance with your request, I am forwarding herewith materials set forth in my January 28 letter which you have requested.

I wish to thank you for your kind words of appreciation for the Federal Government's cooperation in this matter as related by you to Mr. Foley.

This material is, of course, being given to you in confidence since it involves interviews with private citizens and, accordingly should not be made public. This does not mean, however, that you cannot conduct your own interviews with these persons if you see fit.

Sincerely,
