

7/3/78 P.S. to Quin Shea

This is in simple fairness, so your own records will reflect the delay in the enclosed addition to my Dallas F.O. appeal.

I did not take any mail out because it was raining too hard, I am the length of a football field from the mailbox and I am under special new injunction not to let my feet get wet.

And there is no mail tomorrow.

If anyone who is going to town stops off I'll get this mailed.

Otherwise it will not go out until the 5th.
