

FBI - Unlawful and Electronic Surveillance

believed to be - 11/25/79 FBI records file - not searched for attachment file

To: John Edgar Hoover

11/25/79

Secret FBI Files (not searched, of course)

Illegal electronic surveillances

Hoover's "personal and confidential files" (also not searched)

FBI leaks

The captioned matters figure in my various suits and requests.

They are addressed in the attached article by Professor Owen G. Thacharis in the May 1979 issue of USA Today.

I send this in the event you have not seen it.

In all instances what Professor Thacharis states is opposed to the FBI's representations in my various suits and requests.
