] Dear Harold,

I am sending to you by third class mail a copy of the summary of cases which have been brought under the Freedom of Information Act.

Also, I am sending you a copy of the suit on the Ferrie materials. I have typed or written on by hand some additions or amendments which you suggested be made in the legal section of the complaint. Page six has been retyped in its entirety. I have made no corrections or amendments to the addendum section because I have been unable to locate the comments you made on that part. As I recalled, there were only a couple of revisions near the front part of that section. I would appreciate it if you could re-read the addendum and write in any deletions or additions you think advisable. If you bring it to me this way Monday, then I will be able to type it up on legal paper sometime during the week.

Oh, yes, I would also like you to note as you go through it, where exhibits will be needed and what ones they should be.

One final note. From the notes I took when I visited your place I have "add Mitchell letter to paragraph 11". I am not sure whether you meant to add a direct quote from that letter or rather to stick it in as an exhibit at that point.

yours,

Jim
