SAC

PRESIDENT'S COMMISSION ON THE
ASSASSINATION OF PRESIDENT KENNEDY
(Bufile 62-109090)

On 12/10/64 I called Dallas and discussed whether it is necessary to index in the field office general indices the indexing data supplied by Bureau routing slip 12/7/64 which is an index to the Warren Commission report.

SAC SHANKLIN stated he assumed it was not necessary but was not positive in this regard. It was agreed with SAC SHANKLIN that I would send a routing slip to the Bureau and make an inquiry in this regard, and designate a copy for Dallas.
