

JFK assassination records appeals

I have appealed the withholding of information by transfer of a Serialized record into "Juno" files.

Attached are two more examples from the 105-82993 file, Serials 2361 and 2489.

In addition to

The obliteration on 2489 also appears to include the designation "Juno," a publicly known designation, the word "mail."

known designation. I also appeal this unjustified withholding.

"Juno" records have in the past been disclosed to me and to others.

The directives for this file shifting also are withheld and I appeal that withholding also.

My requests are by subject, not by file designation.
