Enclosed is a letter from the Archivist of the United States, with attachments, asking the Department of Justice to review certain documents of the President's Commission on the Assassination of President Kennedy that are presently withheld from research, to determine whether such documents now may be, or must be, disclosed. We would appreciate your designating someone to review the FBI documents mentioned in the Archivist's letter, in view of the 1974 amendments to the Freedom of Information Act, and reporting the FBI's conclusions concerning those documents which may be disclosed, so that we can prepare the Department's report to the Archivist.

This Office is currently reviewing the "Guidelines for Review of Materials Submitted to the President's Commission on the Assassination of President Kennedy," in light of the 1974 amendments to the Freedom of Information Act.
