**WARREN COMMISSION DOCUMENTS  
ENCLOSURE MATTER**

Reference is made to your letter of August 14, 1974, requesting advice as to the possible declassification of two documents maintained in the records of the Warren Commission.

We interpose no objection to the declassification of the letter dated April 24, 1964, addressed to the FBI by Mr. J. Lee Rankin, General Counsel of the Commission.

After consulting with the Central Intelligence Agency, which has an interest in the matter, it has been determined that the portions of the report of Special Agent James F. Morrissey dated March 11, 1964, at Washington, D. C., in question (pages 23-25) should remain classified "Confidential" under exemption category 4 of Section 5 (E) of Executive Order 11652.

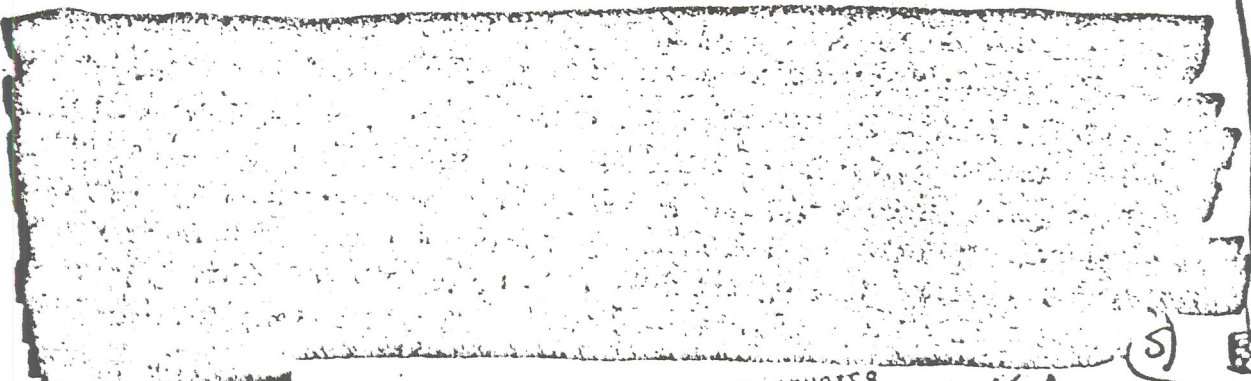

The enclosures forwarded with your letter are being returned herewith pursuant to your request.
