Note for Mr. John Kester

Re: Attendees at Kennedy Assassination

The attached list contains addresses for the naval officers present at the autopsy. None of the enlisted personnel in attendance at the autopsy are still in the Navy; consequently, it will be difficult to obtain current addresses for them. We hope to have addresses for two enlisted retirees within a day or two and will send you whatever current information we have about the others as soon as possible.

*Togo D. West, Jr.*  
Togo D. West, Jr.

Att.
