Dear Mr. Weisberg:

Enclosed please find all the correspondence relateing to the Moorman photos, this is all I have, I hope it helps some.

I was talking to the Secret Service today by phone, I asked them about my request for Phill Willis's photographs, according to the (FBI) the Secret Service had 27 photographs by Mr. Willis, well the SS said that they were in the mail, I should have them in a couple days, did you ever see these 27 photographs? I also asked the SS for Mary Moormans photographs, which they also said they sent, I asked for these on the assumption that maybe they'll show more or less.

I was also talking to Mr. Shackelford of the (FBI) today, I asked him about my FOIPA requests, Mr. Weisberg I filed three seperate requests for photos and films from various people, I filed for Betznerns photos, Martins, Hughes, Nixs, Mentesanans, Barkers, Dermans movies, I also filed for Bonds photos, the Powell photo and the DCA movie film, Mr. Shackelford seemed worried that the sum of these photographs and films would be very high, so he has to ask someone in a higher authority, as to how I may pay for them ~~possibly~~, do you happen to know there policy under the FOIPA, if you do any information that you can supply would be helpful.

Well I guess thats that, if I recieve any of the above photographs or films I will surely let you know, please don't mind my bad typing.

Best Wishes  
Bury Please

P.S.

My other letters and correspondence with the FBI were destroyed By accioent, For Instance my Letter of July 12, 78 Requesting under the FOIPA, the Photos, Also my recent Letter of July 30, ASKING why moormans photos were distorted, I ALSO ASKED IN MY LETTER OF THE 30TH IF THE MOORMAN PRINT.

WERE OF THE FULL NEGATIVE, AS YOU CAN SEE BY THE FBI  
LETTER OF THE 7,th OF AUG. THEY COMPLETELY IGNORED  
THIS QUESTION, SO I WROTE TO THEM AGAIN IN THE HOPE  
OF GETTING A STRAIGHT ANSWER, THANK YOU AGAIN
