ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963,
DALLAS, TEXAS

ReBuairtel 4/12/67 which advised you that [redacted] made available to a Bureau Official data he had received in connection with his inquiries of the investigation of the assassination being conducted by New Orleans District Attorney James C. Garrison.

On April 18, 1967, [redacted] contacted the Bureau and made available a three-page memorandum prepared by Andrew J. Sciambra which set forth results of an interview of Perry Raymond Russo at Mercy Hospital in New Orleans when Russo allegedly had undergone an injection of sodium pentothal. [redacted] also made available a thirteen-page memorandum which sets forth questions by Dr. Esmond A. Fatter, private physician associated with the New Orleans Coroner's Office (Dr. F) and answers by Perry Raymond Russo (PR) at which time Russo allegedly was under hypnosis by Dr. Fatter. A copy of each of these memoranda is enclosed for each the New Orleans and Dallas Office.

The information furnished by [redacted] should be closely held in each office and must not be disseminated outside the Bureau. You have previously been informed that [redacted]

NOTE: Memorandum Mr. Wick to Mr. DeLoach dated 4-18-67 reported that [redacted] furnished the data being sent herewith to New Orleans and Dallas to Supervisor H. P. Leinbaugh. The enclosures give further indication that Garrison's key witness Russo is a fraud. Copies of the enclosures have been disseminated to the White House and the Attorney General by separate communication.
