

Shea - JFK appeals

11/7/79

Is there any way you or the publisher can make a copy of the bibliography available to the appeals office of the Department of Justice for use in processing JFK FOIA materials?

Knowing what is within the public domain can be very helpful to non subject experts as well as subject experts. The staff lacks subject expertise.

And there has been staff turnover. The new person on JFK is Ms. Phyllis Hibbell.

Quinlan J. Shea is Director of the Office. Zip is 20530.

Thanks,
