Dear Bud,

I thought you and Jim Lesar would like to see the latest twist in our FOI suit before Judge Ward in New York. It's been a curious case.

My project is coming along pretty well. I spent a long afternoon with Gary Shaw the other day, and he is certainly a fine man to work with. I hope to be seeing you before long.

With all good wishes, I remain

Cordially yours,

Mr. Bernard Fensterwald, Jr.  
Suite 900  
1000 Wilson Boulevard  
Arlington, Virginia 22209
