

I asked Mr Shelley if he had seen Lee? He said no. I then contacted Chief Sampson and told him Lee was missing. Then both of us went up on the sixth floor where Capt Gutz was and I told Capt Gutz about Lee being missing and ~~that~~ where he lived.

I did not see Lee Oswald <sup>any</sup> more. We don't usually run a ~~through~~ <sup>through</sup> check on our temporary employees. In Lee Oswald Case, a Lady from Irving called and said a neighbor had a brother working for me, and he had said we could use some more help. This woman said she knew a nice young boy who needed work. I told this woman to send him over and I would talk to him. I talked with Lee and liked his appearance so I hired him.
