

Mrs R. L. Reid  
1914 Elmwood FE 1-6617

I work for the Texas school book Depository  
I have worked for them seven years.

yesterday, Nov. 22, 1963 I was working, we  
took our lunch ~~period~~ from 12 to 1 pm. I went  
out side to watch the parade go by. I was  
standing on the front steps of our building, as  
the parade drove near I walked closer to  
the street. Just after the Res. passed by  
I heard three shots. The first thing I thought  
of was someone was shooting at the president. I  
remarked to my Campbell who was standing near  
by that I thought the shots had come from  
our building. But I heard someone else say  
no, I think it was further down the street.

I went back into our building and up  
to the second floor to our office. just after  
I entered the office I saw one of the men who  
work in the warehouse come through the back  
office door. this door is located near the lunch  
room and the rear stair way. I did not know  
this man's name at the time for he had not  
worked there ~~too~~ long. However I now know  
his name to be Lee Oswald. I said to  
him, Oh! some one has shot at the president  
I hope they didn't hit him. Lee mumbled  
something and walked on out of the office.
