¹¹⁻²²⁻⁵³ Yesterday I was sitting at Lepus and Jackson ^{at 12:30 PM}
at the Leyland Bus Station waiting for a ~~car~~ ^{car}. This
guy walked up and ask if he could get a cab, I told
him yes and I opened the back door. The guy closed the
back door and said he wanted to sit in the front. The
guy said he wanted to go to the 500 Blk N. Beekley.
I ask him what all the Senos were about and
he didnt say anything so I didnt say anymore to him.
When we got in the 500 Blk N. Beekley, he said this
will do and I stopped and he got out. The guy gave
me a Dollar bill, the fare was 95¢ and he told me
to keep the change. When he got out of the cab he
walked across in front of the cab at an angle ^{across}
on Beekley. This guy was small, 5'8 - Slender had on a peach
shirt with white streaks, had on a brocket on his left hand. He
looked like he was around 25 or 26 years old.
