to make a search of her home at which time we began a methodical search of the house, for a list of items we took from this house wee the attached Property List. At approximately 3:15 PM Michael Balph Paine walked up the walkway and entered the house without knocking. He told Ruth Paine. "I heard where the President was shot, and I came right on over to see if I could be of any help to you." He also told her that he had just walked off the job. At the supposition of Marina Oswald, wife of Lee Harvey Oswald. we also made a search of the garage. which is attached to the Paine home. Mrs. Oswald was asked about her husband's rifle, and she stated that he had one, and that he kept it in the parage wraped in a blanket. (in Rusian, interpreted by Ruth Frine) Also see attached Property List. After some confusion as to what to do with the children. Ruth Paine agreed to accompany Marina Oswald to the City Hall, and we began loading the property that we were confiscating for evidence into our car and into the car of the Dallas County Sheriff's office. About this time Hrs. Bill Randall, who lives at 2139 West 5th, Irving, approached Det. Adamcik and told him that her brother Wesley Frazier took Oswald to work this morning, November 22, 1963, and that she saw Oswald carry something over to her brother's car and put it in the back seat. It was long and wrapped in paper or a box. She was suspicious. She said that her brother was visiting her father at Parkland Hospital, and we could reach him there.
