THE STATE OF TEXAS COUNTY OF DALLAS

A Notory Public in and for said County, State of Texas, on this day personally appeared. M. f. Raker, Patrolman Pallas Police Perartment Who, after being by meduly worm, on south deposes and says: Who, after being by meduly worm, on south deposes and says: Motorcycele except for the 'resident's car had made a left turn from Houston and T was on 'ourston 'treat and the 'resident's car had made a left turn from Houston and I was shots were rifle whote and T began to try to figure out where they cane from. I decided the shots had cone from the huilding on the northwest corner of 'lm and Houston. This huilding is used by the 'loard of 'ducation for hook storage. I jurned off my motor and ram 'neide the huilding. As I entered the door I saw several forward and stated he was the huilding manager and that he would show me where the stairs were. I followed the man to the rear of the huilding and he maid, "lat's the level stairs were. I followed the man to the rear of the huilding and he maid, "lat's the elevator." The elevator was hums several Hoors us so we used the stairs in stair As we resched the third or Sewith floor I saw a man walking sway from the stairsusy. I called to the van and he turned around and cane tack toward me. The manager said. "I most that was, he works here." I then turned the man loose and went up to the top floor. The man I saw was a write man approximately 30 years old, 519°, 165 pounds, dark hair and wearing a light trown jacket. **DAY OF** **BOYON TO BEFORE ME THIS **2** DAY OF** **BOYON TO BEFORE ME THIS **2** DAY OF** **AD. 1963**					
Who, offer being by meduly swom, on coth deposes and soys: Who, offer being by meduly swom, on coth deposes and soys: Friday November 27, 1963 I was riding motorcycle encort for the 'resident's car had made a left turn from Houston ento Elm treat. Just an 'approached Elm and Houston I heard three shots. I realised these shots were rifle shots and 'began to true to figure out where they came from. I decided the shote had come from the building on the northwest corner of Ulm and Houston. This building is used by the 'loard of 'ducation for took storage. I distributed off my motor and ran inside the building. As I entered the door I saw several meanls standing around. I asked them people where the stairs were. A man stayped forward and stated he was the building manager and that he would show me where the stairs were. I followed the man to the rear of the building and he maid, "Latin take the elevator." The elevator was huma several floors un so we used the stairs in stead as we resched the third or fewrth floor I saw a was walking away from the stairway. I called to the wan and he turned around and came back toward me. The manager said, "I know that man, he works here." I then turned the man loose and went up to the top floor. The man I saw was a white man approximately 30 years old, 519%, 165 pounds, dark hair and wearing a light trown jacket. **One Carter of the carter of the trown factor of the trown factor. The man I saw was a white man approximately 30 years old, 519%, 165 pounds, dark hair and wearing a light trown factor.	BEFORE ME,	Mary Patten			
Who, after being by me duly sworm, on each deposes and soys: motorcycle encort for the 'readignt of the 'nited States. At approximately 1917 pm I war on 'ourten Street and the 'readignt's car had made a left turn from Houston ento Elle treet. Just an 'approached Elle and Houston I heard three shots. I realised these shots were rifle shots and 'began to tre to figure out where they reame from. I decided the shots had come from the building on the northwest corner of Lim and Houston. This building is used by the 'Goard of 'ducation for book storage. I jumed off my motor and ram 'natice the building. As I entered the door I saw several seconds standing around. I asked these people where the stairs were. A nam starped forward and stated he was the building manager and that he would slow me where the stairs were. I followed the man to the rear of the building and he said, "Lath take the elevator." The elevator was hume several floors up so we used the stairs in steed the slevator. The alevator was hume around and came back toward me. The manager said, "I know that man, he works here." I then turned the man loose and went up to the top floor. The man I saw was a white man approximately 30 years old, 519%, 165 prounds, dark hair and wearing a light brown jacket. On (B. Acc.)
