An anonymous male caller telephoned to say that although he was an alcoholic himself, he drew a line at strong arm robbery, and he wanted to report the following incident.

He overheard five people talking at some place and one of the men said that they had held a man and gone through his pockets and had taken a \$1,000.00 bill from him. (can't remember if he said he saw the bill or not--K)

He said that these people were:

1. ~~XXXX~~ Hubert Thompson, from Texarkana
an ex-con for murder
2. Bill Lester of New Boston
3. Buddy Lester (brother) New Boston
4. Hubert Thompson's sister
5. Some girl who left her husband to
run off with Bill Lester.
