

**The Cuckoo Clock**

I bought that lil'ot cuckoo clock  
In a fit of auction fever,  
At a cost I recall with total shock,  
I plumped like a spendthrift hen!

And now as I eye it there on the shelf  
And my dark thoughts overwhelm me,  
I search for a name to call myself  
And the bird darts out to tell me!

—Georgie Starbuck Coffey
