

9/2/64

Dear Mr. Jack Ruby,

You don't know me but I am a friend of the Stephensons, the people who have been writing to you quite often now to see how you were. My name is Bob Jewin and I am very concerned about the misfortune you're in, and I'm speaking for all my friends.

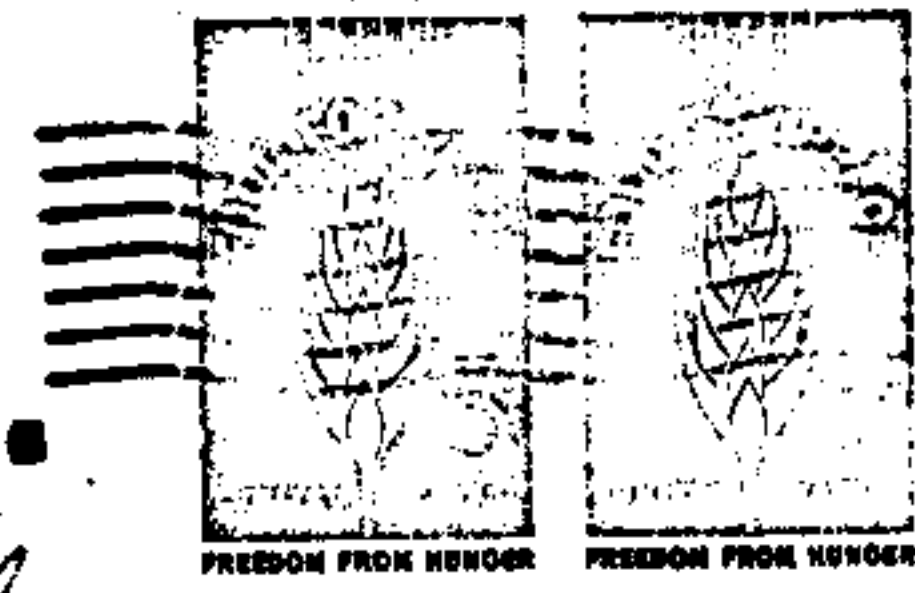

Mr. Ruby, I don't know if this letter means anything to you but I just want to write to you anyway, kind of to show you up if I can. Mr. Ruby I'd be very grateful to you if you would please write back to me, I would always treasure your letter, my address is:

4835 Katherina
Dearborn Heights, Michigan

My parents the Stephensons and myself wish you all the luck that can come to you.

Sincerely Yours,
Bob Jewin
