Dear Uncle Jack,

How are you? I'm well. I've been
out for a year but I'm still
in.

Did you see my report. I'm
not sure I can explain it.

My first mission was to
kill a man who was a
member of the ITH. I was
successful. I was told that
the man was a member of the
ITH and I was told to
kill him. I did. I was
told that the man was a
member of the ITH and I
was told to kill him. I
did. I was told that the
man was a member of the
ITH and I was told to
kill him. I did.

P. S. I'm a member of the ITH. I was
told that the man was a
member of the ITH and I
was told to kill him. I
did. I was told that the
man was a member of the
ITH and I was told to
kill him. I did.
