Mr Jack Ruby,  
Sir,

Have watched your  
case on T.V. and so forth. The  
you have really learned of  
God. Please take this tiny  
Bible and place in your  
shirt jacket. And place your  
hand upon it when the going  
gets rough. He is the only one  
who can help. God be with  
you now and always. And  
may he be with your family  
and comfort them. And know  
that you have people who  
are interested.

In Jesus name.  
Interested
