

We are encouraged to make a scrapbook of handwriting for special study. I am a very obscure person, not very much to get out and meet a lot of people myself, I have to get my scrapbook filled by correspondence.

I have a copy of the book FOUR DAYS that has many reprints handwriting of famous people.

However, I wish to have your writing. If possible, Mr. Ruby, I hope you could send me even a very short note for my book. As I said, graphoanalysis aids in the understanding between people. And I would like to meet and know you, through your writing. My thanks for your time.

Respectfully,
Mrs. Donald Lincoln
